

The Lima YP Needs YOUR support!

The Lima Young Professionals is a diverse group of business professionals, under the age of 40, who work or live in the Lima area. The mission of the Lima YP is to attract *more* young people to the area and to *keep them here* once they've chosen Lima, as well as retaining those already living within our community. We are a not-for-profit group that is growing every day! Starting in 2006 with 15 members we've grown to nearly 125!!

We need your help! If you are only interested in sponsoring one event, you can do that below, or if you want to be our "best friend", you can do that as well. Please mark your selections on the last page and return to the Chamber of Commerce.

Thank you for your time!
